

HIS GLORY MINISTRIES

STATEMENT OF UNDERSTANDING

1. It is understood that His Glory Ministries is established to bring spiritual, mental, and physical healing to individuals by prayer and the application of God's Word.
2. This is Faith-Based counseling and is not done by a Licensed Professional Counselor, a Licensed Social Worker, Psychologist or other State licensed mental health professional.

The coaching/counseling you will receive is exclusively religious in nature and not subject to licensure or regulation by the State of Texas. His Glory Ministries offers only non-medical treatment and recovery methods such as prayer, application of biblical relationship principles, moral guidance, spiritual counseling/coaching and support.

Coaching and Counseling is a voluntary act and you have the right to choose a coach who best suits your needs. We will do our best to accommodate your needs or to give you an appropriate referral. You have the right to be treated ethically by your coach/counselor.

3. The counselor has had extensive counseling experience and training. He has a Doctorate in Pastoral Counseling. This means that half of his studies have been in theology and the other half in counseling. He is an ordained minister and thus pastor-client communication is protected.
4. FEES. This is a faith-based ministry and it is believed by the counselor that money should not be a reason for refusing counseling based upon the lack of resources by the client. Therefore, at this time the money donated for each counseling session, should be some amount, but that will be determined by the Counselee. The Bible says that the worker is worthy of his hire, and thus the requirement of some amount should be paid at the end of each session. The Counselor is dependent upon God, which can be fully trusted as He has promised to provide.

The fee you pay really is between you and the Lord. Ask Him what you should donate.

The Counselor has been paid from \$5.00 to \$400 per session. The average has been \$75.00 to \$100.00 per session. A \$25.00 cancellation fee applies if the session is not cancelled within 48 hours of the scheduled session.

Secondly, all materials such as the Arno Profile (\$60.00), Marital Assessment Inventory (\$80 per couple) and other assessments and books are separate from the fee per counseling/coaching sessions.

I HAVE READ THE ABOVE STATEMENT OF UNDERSTANDING AND I UNDERSTAND IT, AND AGREE TO THE TERMS HEREIN WRITTEN.
